OFBJP extends solidarity to Narendra Modi's Sadbhavana Mission – organizing fasting across USA

Overseas Friends of BJP is elated and satisfied with the recent Supreme Court verdict on post-Godhra cases. Dr. Adapa Prasad, OFBJP President said that it has been revealed that Congress party and foreign sources have been funding the so called NGO's to carry out a baseless and malicious tirade against Shri Narendra Modi for the last 9 years. It is obvious that these BJP haters and baiters have been soundly and aptly rebuffed by the court ruling. We are sure that eventually the truth shall prevail and Narendrabhai will be completely vindicated and exonerated. Shri Suresh Jani, OFBJP Past President said that "those anti-India and anti-Hindu individuals and organizations who have made anti-Modi campaign as their living and fertile enterprises for receiving funds from questionable sources would continue their nefarious activities". They will again be rebuffed by legal process in due course of time, he added.

OFBJP congratulates Shri Narendra Modi for demonstrating remarkable patience, fortitude and determination in the midst of numerous false allegations, fabricated cases and frivolous legal issues. Even in these trying circumstances, Shri Modi continued working tirelessly and selflessly and has been discharging his constitutional duties to bring all round development and progress to the State of Gujarat; so much so that it has now become a model of development not only in India but in the entire world. Notwithstanding the canards spread against Shri Modi, the fact is that he has controlled corruption and ensured the welfare of his people without indulging in any poll-time gimmicks to win the confidence of voters, said Shri Jayesh Patel, OFBP President Elect. His vision and good governance has been appreciated by prominent industrialists, celebrities, and intellectuals. The latest US Congressional report on Shri Modi is an unbiased testimony to the facts on the ground. Gujarat under the leadership of Shri Modi has become the growth engine for real growth in India," added Shri Chandrakant Patel, organizing secretary.

OFBJP-USA, sincerely appreciates Shri Narendra Modi's "Sadbhavana Mission" for which he has resolved to fast for three days from Saturday, 17th September 2011 with the main aim of promoting an environment of peace, unity and harmony. The entire family of OFBJP and Indian expatriates is supporting his noble mission and in a show of solidarity with his noble cause, our Karyakartas across USA will be undertaking fasting starting from Sept. 17.
